LB 667, 762, 1007, 1127A, 892

CLERK: Mr. President, 1127A by Senator Warner. (Read title.)

SPEAKER NICHOL: Senator Vard Johnson, are you going to handle it?

SENATOR V. JOHNSON: I will handle this. I know this particular A bill is simply designed to reflect the current condition of LB 1127 which as you may recall is a bill that changes the state disability standards and ultimately saves the state between five and eleven million dollars annually. This is simply the A bill to effect that funding.

SPEAKER NICHOL: You have heard the motion and the motion is to advance 1127A. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on the motion to advance the A bill.

SPEAKER NICHOL: LB 1127A advances. We will move on to LB 892.

CLERK: 892 introduced by the Revenue Committee and signed by its members. (Read title.) The bill was first read on January 9 of this year, Mr. President. It was referred to the Revenue Committee. The bill was advanced to General File. There are Revenue Committee amendments pending.
